SUPPLEMENTARY INFORMATION:

Title of Collection: AmeriCorps All-Partner Training and Technical Assistance Survey.

OMB Control Number: 3045-NEW. *Type of Review:* New.

Respondents/Affected Public: AmeriCorps grantees and sponsors who have VISTA, AmeriCorps State and National, and AmeriCorps Seniors awards.

Total Estimated Number of Annual Responses: 95,000 annually; an additional 6,000 for a one-time survey.

Total Estimated Number of Annual Burden Hours: 11,750.

Abstract: The purpose of this all-partner training and technical assistance (TTA) survey is to gather information about the experiences our grantees and sponsors have with our current TTA so that we can improve how we develop and deliver TTA to our partners in the future. The changes brought on with the agency's restructuring, rebranding, and the website overhaul have affected the TTA we provide to our grantees and sponsors. As the target audience for the training we develop, grantees and sponsors can offer valuable feedback so AmeriCorps can improve both the trainings and our internal training development processes.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance

the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose, or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Margery Ansara,

Acting Chief of Program Operations.
